

2020 Golf Tournament Covid 19 Edition

Thank you for your interest in hosting a golf tournament during these wild times. At Sunset Ranch we have worked closely with Interior Health, Worksafe BC and the Province to ensure your guests and our staff have a safe but incredibly fun day. Here are some of the steps we have taken to ensure the safety of our guests.

1. Golfers are allotted tee times rather than a shotgun start. We ask golfers not to arrive more than 30 minutes before their tee time unless they are having lunch in the clubhouse. We must avoid gatherings of groups so we spread out golfer check in times based on their tee times.
2. Carts are cleaned and sanitized after every use. For Golf Tournaments a 30-60ml bottle of Sanitizer is placed in each cart for the golfers.
3. KP and Long Driver markers are allowed. Hand Sanitizer Bottles will be applied to each Marker
4. Once golfers have completed their round, they will head into our clubhouse. Tables of 4 are placed socially distanced apart and we will recommend guests once selected a table try to remain in their seats for as much of the banquet portion of the event. A 3-course plated dinner will be served to the guests as they arrive in. Attached is a menu however we are able to accommodate all allergies, including celiac, lactose as well as Vegetarian and Vegan.
5. Silent Auctions and Prize tables are allowed, and our microphone will cover all areas of the restaurant so guests can stay socially distanced apart.
6. We have enforced a staff stay home policy should anyone feel ill, and we ask the golf tournament make the same request to their golfers.
7. Beverage Carts will be available on course. Staff will be practicing safe distancing
8. Sponsor Holes are allowed as long as they can socially distance themselves. We kindly ask all Food and Beverage be purchased from us to ensure the safe handling of all items.
9. We do have limited PPE such as masks and gloves available to any golfer who wishes to take extra precautions.

Once again, the safety of all of our guests and staff is our primary concern every day at Sunset Ranch. We have had inspections from WorksafeBC regarding golf and events and have received very positive reviews from our plan.
